

Marvista Volleyball

What: A school sponsored Marvista girls' volleyball team for players in grades 4th, 5th, and 6th. We will practice and work on introductory skills and plan to play 3 matches. Two against other schools and one against parents.

Logic: Because there are not a lot of organized volleyball opportunities in the area for girls to work on their volleyball skills before trying out for a middle school team, this will give interested students a chance to try it on.

Where: In the Marvista Gym.

Who is coaching: PE teacher Mr. Matthews and middle school volleyball player and Marvista alum Laci Dacosta will coach. We would like Parent Volunteers to assist with coaching as well (See form below).

When: 3:40-5:00PM on Mondays and Wednesdays

January 17, 22, 24, 29, 31 February 5, 7, 12, 14, 21, 26, 28 (If you sign up, commitment to the team and regular attendance is expected. This is a positive team sport experience, so students must be able to follow directions and support their teammates.)

Cost: Free, but you need to come to practice with kneepads. Come ready to play in athletic attire that you can move quickly in and wear athletic shoes. (If you need an athletic scholarship to get kneepads, please contact Mr. Matthews at keith.matthews@highlineschools.org)

Please return the registration permission slip below to Mr. Matthews in the gym. Space limited to 26 players.
