

VOLUNTEER OPPORTUNITIES

It takes a lot of helping hands to make all the PTSA magic happen. Whether you can help once or a dozen times, every little bit helps! Some jobs are during school hours, some can be done at home. We've got lots of options! Please check **any and all** boxes for volunteer positions you might be interested in. We will find you the perfect opportunity. These positions are open to parents, grandparents, neighbors, etc. Please note that several of these jobs (as well as field trip chaperoning) require that you pass a criminal background check (forms are available in the Front Office).

Thank you for contributing your time and talents for the benefit of ALL of our kids!
